## CAREFOCUS MAKES LIFE EASIER

Just as growing older can allow for a more relaxed lifestyle, it can also present new obstacles and challenges. Many seniors find that for the first time in their lives, they have to ask for assistance. CareFocus Companion Services can help.

With CareFocus, you or your loved one will get the assistance needed at home to maintain a safe, independent, and enjoyable lifestyle. We understand the challenges of mature adults and can help with daily living activities that may have become more difficult over time. Assistance with personal care activities, light housekeeping, and medication reminders, are just some of the many duties that our caregivers perform. All of CareFocus' services are provided with one goal in mind: "To promote the highest degree of recovery, comfort, and independence possible."

## YOUR CARE IS OUR FOCUS

CareFocus' clients know that they are working with an agency dedicated to their satisfaction. When you call CareFocus, a representative will answer your questions and address any concerns you may have. Upon receipt of your approval, we will begin services by sending a nurse to your home to conduct an initial consultation. All findings and requests are then scheduled into CareFocus' approved plan of service.

CareFocus will assign experienced healthcare professionals to meet your needs. All caregivers are fully bonded and insured; and

undergo thorough interviewing, testing, and screening prior to employment. Furthermore, caregivers are regularly supervised and evaluated to ensure that CareFocus' high service standards are met.

### *Call CareFocus Today!*
